I am pleased to announce that beginning next week, as early as Monday, you will have access to your all new BEN-E-LECT Web Portal, **yourbenportal.com**.

The feedback we received from our clients and broker partners over the past year, led us to the conclusion that we needed to start from scratch and build our own web portal. We took your wishlist, made it pretty and put it in a portal for your use. I have attached the User Guides so you can get a feel for what you and your members will have access to as early as next week.

- Go to www.yourbenportal.com
- Refer to pages 1-3 of your User Guide to get started

There are a couple of items that are still under development such as new member enrollment and we are still pulling all of your documents in. If you click on a Schedule of Benefits or an SPD that doesn't contain the document, just let us know and we'll make sure we pull it in for you. We just didn't want to keep you waiting any longer.

This has been a lot of hard work and effort on behalf of our IT team and our staff for endless hours of testing. After all is said and done, I think you're going to find it useful!
