

Training For Welcome To BEN-E-LECT

Hello, my name is _____ and I want to welcome you to BEN-E-LECT.

BEN-E-LECT is the country's leading Third Party Administrator offering Employer Driven Health Plans™ to small and medium size Employers. You will often hear us referred to as a TPA.

Since enrolling its first small Employer in 1996, BEN-E-LECT has helped thousands of Employers reduce the cost of their group medical, dental, and vision plans while maintaining or improving benefits.

BEN-E-LECT's programs help Employers with as few as 2 or as many as 2000 Employees take advantage of the fact that 50-70% of any group of people use their plan very little or not at all. BEN-E-LECT helps small Employers implement medical, dental, vision, and even Section 125 and Cobra plans to lower the Employer's plan cost without giving up benefits.

Healthcare costs have been rising at a double digit rate since 2001 while at the same time benefits are being reduced. Isn't it time you reversed that trend?

BEN-E-LECT's highly specialized staff can assist you with all facets of your plan from the proposal to enrollment as well as plan service and administration.

BEN-E-LECT prides itself on service that is both responsive and proactive which is why we created a series of short videos to guide Employers and Employees through the BEN-E-LECT plans. These educational videos will show you How and Why BEN-E-LECT Works.

But please remember, a BEN-E-LECT Team Member is standing by to assist you with any support or further information you may desire; or give me a call directly. My contact information will appear on the screen shortly.

So, once again, welcome to BEN-E-LECT and we thank you for the opportunity to earn your business and trust.

Thank you.
